

The **Mary McCue Memorial Pre-Dental Student Scholarship** is awarded to a Montana resident senior or junior college student who is entering a career as a dentist. Mary McCue, Esq., was a long-time friend of dentistry and past Executive Director of the Montana Dental Association. For more on Mary, go to [Mary McCue Memorial](#).

Funds may only be used for impending entry into dentistry. Best uses are for applying to dental schools or to attend an introductory pre-dental clinic simulation course offered by dental schools. Other options will be considered but under no circumstances may be used to fund undergraduate education or living expenses. Scholarships of \$400 each are available.

Applicants must complete and return the below scholarship form by April 15, 2026. Applicants will be notified after May 31, 2026.
