What your colleagues are saying

I have used the Health Professions of Montana Plan & Trust since 2019. The coverage in Montana is great, and Kandy, Kris and Joanna make administering the program for employees very easy. I highly recommend this as a benefit for your employees.

— Dr. Aimee Ameline, DDS, Great Falls, MT

I highly recommend HPMPT, my office has been using their insurance benefit program for 4 years. My employees love the insurance provided and rate the benefits highly. The people at HPMPT are wonderful to work with and make it very easy to administer this valuable benefit.
